**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We do not want decreased competition!

Our small internet provider has excellent customer service, and is expanding fiber optic cable in our area.

ATT has terrible customer service, I know I had them as a customer.

This bill would allow ATT to put my ISP out of business.

This bill would increase my bill only to pad the giant providers profit.

I use my internet and phone services every day and my service is very competing and superior to what ATT offers!
